

Fingerprinting Information Form

The Virginia Department of Social Services (VDSS) now requires all co-ops to be fingerprinted as a part of their background checks. VDSS is currently working with the company *Fieldprint* to conduct all of their scans. *Fieldprint* has numerous locations throughout northern Virginia that you can choose from when scheduling your appointment.

The cost of fingerprinting is \$39. The fingerprint search is valid for five years and must be completed by any parent/family member that will be co-oping in the school building.
